An East Central Minnesota 5-County Economic Development Partnership

We've Grown Some

What had been a 4-County Partnership has grown to 5 Counties with the addition of Mille Lacs County. Another new member joining the regional economic development efforts is the City of Princeton.

Tiller Corporation Opens Facility in North Branch

Tiller Corporation, a division of Barton Industrial Sands, opened a sand drying facility on County Road 30. Rail access is key to their operation. Sand is brought in on trucks to the facility where it is dried and sorted. It is then shipped out via rail. Currently they - To learn more [click here](#)

Mills Fleet Farm Building in Cambridge

Work is underway on the construction of a Mills Fleet Farm building. The conversion of the former Lowe's building has progressed to the point of enclosing the previous outdoor garden center to an automotive center. Construction of a gas station and car wash is also in process. The goal is for this new facility to be open in early October.

Fairview Clinic Opens in North Branch

Fairview Clinic is not new to North Branch. However, their new 18,840 SF clinic is. The relocation was completed and they saw their first patients on April 30. The new facility is located at the corner of Hwy 95 and Flink Ave. To learn more [click here](#).

North Branch Chevrolet Has a New Home

North Branch Chevrolet has relocated to their new constructed 17,632 SF building. The new facility was opened in early April following their relocation. They are now located on Tanger Drive, just south of the North Branch Outlets. This new location provides them better visibility.
